REMARKS/ARGUMENTS

Claim 2- 5, 7-15,17-19, and 21-23 remain pending in this application. In response to the office action, claims 2,5, 7- 15,17-19, and 21-23 have been amended. Claims 3 and 4 remain unchanged. Claim 1, 6,16, 20, and 24 has been cancelled without projudice or disloimer to facilitate the prosecution of the application.

Allowable Subject Matter

Applicants acknowledge the allowability of claims 7, 9,10,12-15,19, and 21 once amended to be rewritten in independent form including all of the limitations of the base calim and any intervening claims as set forth in the Office Action. Applicants have so amended these claims. Applicants thank the examiner for the allowance of amended claims 7, 9, 10, 12-15,19, and 21.

Rejection of Claims 1, 5, and 6 under 35 USC §102(e) as being anticipated by Terry, et al (USPN 6,587,697):

The rejection of claims 1 and 6 under 35 USC §102(c) as being anticipated by Terry, et al (USPN 6,587,697) is most in view of the cancellation of Claims 1 and 6.

Applicants respectfully request reconsideration of Claim 5 as herein amended. Claim 5 has been amended to be dependent upon claim 2, which has been amended to be dependent upon allowable amended claim 10. Applicants submit that claim 5 is allowable over the cited references based on its dependency upon amended claims 10 (via its dependency on amended claim 2) which claim was deemed allowable by the examiner in the office action. Since claim 5 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 10 (via amended claim 2) constitutes patentable subject matter, Applicants respectfully submit that claim 5 is in proper condition for allowance and request that claim 5 may now be passed to allowance.

Rejection of Claims 20, and 22-24 under 35 USC 102(e) as anticipated by Humabe (US 2002/0111163):

The rejection of claims 20 an 24 under 35 USC 102(e) as anticipated by Hamabe (US 2002/0111163) is most in view of the cancellation of Claims 20 and 24.

Applicants respectfully request reconsideration of Claims 22 and 23 as herein amended. Claims 22 and 23 have been amended to be dependent upon allowable amended claim 21. Applicants submit that claims 22 and 23 are allowable over the cited references based on their dependency upon amended claim 21 which claim was deemed allowable by the examiner in the office action. Since claims 22 and 23 introduce additional subject matter that, particularly when considered in the context of the recitations of amended claim 21 constitutes patentable subject matter, Applicants respectfully submit that claims 22 and 23 are in proper condition for allowance and request that claims 22 and 23 may now be passed to allowance.

Rejection of Claims 2-4, 11, 16, and 17 under 35 USC §103(a) as being unpatentable over Terry et al (US 6,587,697) in view of Lee et al (US 2003/0050086):

The rejection of claim 16 under 35 USC §103(a) as being unpatentable over Terry et al (US 6,587,697) in view of Lee et al (US 2003/0050086) is most in view of the cancellation of Claim 16.

Applicants respectfully request reconsideration of Claim 2 as herein amended. Claim 2 has been amended to be dependent upon allowable amended claim 10. Applicants submit that claim 2 is allowable over the cited references based on its dependency upon amended claim 10 which claim was deemed allowable by the examiner in the office action. Since claim 2 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 10 constitutes patentable subject matter, Applicants respectfully submit that claim 2 is in proper condition for allowance and request that claim 2 may now be passed to allowance.

Applicants respectfully request reconsideration of claims 3 and 4 without amendment. Applicants submit that claims 3 and 4 are allowable over the cited references based on their dependency upon amended claim 2 which claim was shown to be allowable above. Since claims 3 and 4 introduce additional subject matter that, particularly when considered in the context of the recitations of amended claim 2 constitutes patentable subject matter, Applicants respectfully

submit that claims 3 and 4 are in proper condition for allowance and request that claims 3 and 4 may now be passed to allowance.

Applicants respectfully request reconsideration of claim 11 as herein amended. Claim 11 has been amended to be dependent upon allowable amended claim 10. Applicants submit that claim 11 is allowable over the cited references based on its dependency upon amended claim 10 which claim was deemed allowable by the examiner in the office action. Since claim 11 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 10 constitutes patentable subject matter, Applicants respectfully submit that claim 11 is in proper condition for allowance and request that claim 11 may now be passed to allowance.

Applicants respectfully request reconsideration of claim 17 as herein amended. Claim 17 has been amended to be dependent upon allowable amended claim 18. Applicants submit that claim 17 is allowable over the cited references based on its dependency upon amended claim 18 which claim was deemed allowable by the examiner in the office action. Since claim 17 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 18 constitutes patentable subject matter, Applicants respectfully submit that claim 17 is in proper condition for allowance and request that claim 17 may now be passed to allowance.

Rejection of Claims 8 and 19 under 35 USC §103(a) as being unpatentable over Terry et al (US 6,587,697) in view of Lutgen et al (US 6,317,224):

Applicants respectfully request reconsideration of claim 8 as herein amended. Claim 8 has been amended to be dependent upon allowable amended claim 7. Applicants submit that claim 8 is allowable over the cited references based on its dependency upon amended claim 7 which claim was deemed allowable by the examiner in the office action. Since claim 8 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 7 constitutes patentable subject matter, Applicants respectfully submit that claim 8 is in proper condition for allowance and request that claim 8 may now be passed to allowance.

Applicants respectfully request reconsideration of claim 19 as herein amended. Claim 19 has been amended to be dependent upon allowable amended claim 18. Applicants submit that

claim 19 is allowable over the cited references based on its dependency upon amended claim 18 which claim was deemed allowable by the examiner in the office action. Since claim 19 introduces additional subject matter that, particularly when considered in the context of the recitations of amended claim 18 constitutes patentable subject matter, Applicants respectfully submit that claim 19 is in proper condition for allowance and request that claim 19 may now be passed to allowance.

The other references of record have been reviewed, and applicant's invention is deemed patentably distinct and nonobvious over each taken alone or in combination.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Applicants believe that the subject application, as amended, is in condition for allowance. Such action is earnestly solicited by the Applicants.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicant's attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

The Commissioner is hereby authorized to charge any necessary fee due to Deposit Account No. 50-2117, Motorola, Inc., or credit any overpayment to the same account.
